Inspired by actual events, *Memphis School Edition* is about a white radio DJ who wants to change the world and a black club singer who is ready for her big break. Come along on their incredible journey to the ends of the airwaves, filled with laughter, soaring emotion and roof-raising rock 'n' roll. The message of the musical *Memphis* is about the power of music to unite people across seemingly unbridgeable divisions and remains just as real, and vital today.
